2. G.O. Ms. No.317 PR&RD (RD II) Dept., Dt. 22-08-2008
3. Proposal of Director SSAAT dated 5th Feb 2010

ORDER

As per Section 17 of the NREGA 2005, social audit of all the NREGA works has to be taken up at the village level in regular intervals by the Gram Sabha. The Act has prescribed in detail the various records which need to be examined as a part of the social audit. Government of AP, in order to facilitate the conduct of social audit at village level, constituted an independent organization namely "Society for Social Audit, Accountability & Transparency (SSAAT)" registered under the Societies Act. It has been prescribed that the SSAAT shall facilitate social audit at the village level and mandal level; and the entire administrative machinery shall extend its assistance to the process without interfering in its functioning. Government of AP also prescribed procedure for conduct of the social audit through its orders issued in reference 2 above.

2. In accordance with the Government direction to conduct social audit in every village at least once in six months, Director SSAAT has submitted a detailed plan of action **(Annexure I)** which consists of:

- a) Plan for conduct of social audit in all the (706) mandals where it is pending for more than 10 months and complete the same before June 2010 and
- b) Conduct of social audit regularly and once in 6 months covering all mandals from July 2010 onwards.

3. Government after careful consideration of the Social Audit month-wise action plan **(Annexure II)** hereby approves the same for scrupulous implementation from February 2010 onwards. While conducting the social audit the following shall necessarily be followed:

- a) The resource team for conduct of each social audit shall be allotted following computerized randomization process. For this purpose, the State Resource Persons (SRPs) will be randomized at the Regional level; and

the District Resource Persons (DRPs) shall be randomized at zonal level. For each social audit, for each month, there shall be a separate team. No one shall conduct social audit in his native district.

- b) There shall be a performance evaluation of Village Social Auditors (VSAs) based on the work done and the feed-back. This should facilitate removing the bad performing VSAs.
 - c) The VSAs shall necessarily stay in the village in the households of poorest of poor. The VO of SHG will be requested to make their food on payment of Rs. 100 per day per person. Under no circumstance, they shall accept the hospitality of anyone else.
 - d) Payments to the social audits shall be made through the SRPs who shall take responsibility for making payments to the VOs and VSAs on time.
 - e) Gram Sabha shall be convened to read out the major findings of the SA. For this purpose, District Collectors shall direct the Sarpanch to convene the Gram Sabha on the last day of the social audit.
 - f) PDs shall be made responsible to ensure that the original records are made available to the SA team a day prior to the start of social audit.
 - g) The SA report will be reviewed by CRD and the format of the report shall be redone keeping in view the facility of follow-up action.
 - h) The data entry of the SA reports may be ensured so that reports are available for review within 14 days from the date of conclusion of the social audit.
 - i) The Social Audit cells in the CRD office and in DWMA offices should be activated so that immediate action is taken on the recommendations of the social audit.
 - j) Special Task Force teams may be constituted at State Level involving Officers of Rural Development Department to cross-check the functioning of SRP's and DRP's and the findings of Social Audit report along with other Rural Development Programmes.
 - k) Random cross-checking periodically by these shadow Task Force teams may help us in process evaluation and transparent conduct of Social Audit process to air out criticism on social audit methodology.
4. Commissioner Rural Development is requested to:
- a) Place at the disposal of Director SSAAT adequate funds meeting the same from the 6% administrative charges for smooth conduct of the social audits.
 - b) Constitute special task force teams at State level with senior officers of Rural Development department to cross-check the functioning of SRPs/ DRPs and the findings of the social audit report. Such Random cross-checking should help in process evaluation and transparent conduct of social audit and to dispel doubts on the social audit methodology.
